RE-BID FOR TIER II DATA CENTER

TENDER No. SEF/PPRS/NP/12-13/021

The Government of Sindh is committed to provide quality education to the most underserved of the province. For that purpose the Government is expecting to receive a loan from the World Bank for Reconstruction and Development towards the cost of Sindh Education Reform Program (SERP), and it intends to apply part of the proceeds of this loan to payments under the contract for Public Private Partnership in Education.

To manage the growing data management needs and to facilitate EMIS Solution, SEF intends to build a state of art TIER II Data centre and infrastructure solution.

The overall objective of the proposed Data centre and infrastructure solution for Sindh Education Foundation is:

- Site Preparation, Design, and implementation of a TIER II data centre facility at designated SEF location;
- Buying, Installation, Integration and testing of Network Equipment, Servers, Email, Storage and Backup Solution with all required software;
- Interoffice connectivity between SEF Head office, sub office, regional offices and proposed data centre facility;
- Comprehensive Technical / Functional trainings for designated SEF staff;
- Account Maintenance services (AMS) for one year from the date of commissioning;

For its Data centre and infrastructure project, SEF is looking ahead to invite proposals from reputable organizations having proven relevant experience in completing national level data centre and infrastructure projects.
