Terms of Reference (TORs) Consultancy for Preparation of PC-1 of SEF schemes

Background:

Sindh Education Foundation was established through an Act of provincial assembly in 1992. The basic mandate of the Foundation is to provide educational services in the province. By now the Foundation is supporting **2,447** schools having an enrolment of 491, 000 across all districts in the province. Given the huge issues of out of school children in Sindh, numbering approximately 6 million, there is need to put in multiple efforts to expand the enrolment while improving quality of education. In this context there is a huge cohort of Government of Sindh schools which are lying abandoned or underutilized which can be operationalized to raise access in accordance with the SESP targets. As per SEMIS 2014-15 more than 6000 schools are lying in a state of non- utilization due to one reason or another. In this background, the SEF has identified five schools for Rehabilitation and operationalization which are in a state of disrepair and non-utilization.

Objectives

The Objectives of the Consultancy services are to prepare detail designs and PC-1 for following SEF Schemes reflected in ADP 2016-17:

- a) Construction of SEF Complex
- b) Rehabilitation of dysfunctional schools of Government to be made functional by SEF

Scope of the Services:

The Consultant will be required to carry out detailed designing and prepare the PC-1s for the above schemes.

Detail designing:

The Consultants shall carry out Detail Designing and cover the following:

- a) General description of the project area.
- b) Study of existing facilities
- c) Preparation of descriptive maps
- d) Preparation data base of existing services
- e) Service delivery analysis
- f) Preparation of feasibility studies
- g) Financial – economical and sensitivity analysis
- h) Existing operation & maintenance stream during last three years
- i) Sustainability of the scheme in keeping with SEF resources
- j) Environmental and social impact assessment in line with Environmental and Social Framework as appeared on SEF website
- k) Documentation required to obtain Environmental Approvals from EPA Sindh
- l) Engineer's cost estimates
- m) Preparation of PC-1
- n) Finalization of PC-1 in light of comments (if any) by PDWP
