

Process of School Adoption

AASP Team organizes the Screening Committee Meeting and shares its findings.

After Steering Committee's approval, an MoU is signed between the Adopter, SEF, Director (Schools) and DoE

AASP Team identifies the current needs of the school and assesses its feasibility for adoption.

Screening Committee forwards its recommendations

The Work plan (SDP) is deliberated

Regular School Support Visits are conducted at Adopted Schools by AASP Team after the school is adopted. Reports, issues and concerns of stakeholders are taken to Steering Committee Meetings for resolution.
